

PIZZA DAY

Pizza Day began when we were raising funds for our new playground. After we got the new playground, many parents asked for Pizza Day to continue. Pizza Day means not having to make a lunch! We feel very strongly that any fundraisers need to have value for parents, and not having to make lunch has value. Pizza Day is our one ongoing fundraiser. You will never be asked to buy or sell cookie dough or wrapping paper or anything like that. The Pizza Fund allows us to buy new playground equipment, for example, and other special items.

Parents may purchase a pizza card for \$20 and we will feed your child cheese pizza for lunch 5 times. Individual pizza purchases are \$5. When the pizza card has been used up, we will return it to you in your child's folder and you may purchase another card if you like. We alternate having pizza days on Thursdays and Fridays so that all our friends may partake in the Pizza Day joy. Pizza Day will be marked on the monthly calendar, and we will post a sign on the front door telling folks which day it will be.

Thanks for your support.
